TO OUR VALUED CLIENTS

Enclosed is a divorce without children questionnaire. We have tried to make this questionnaire as simple as possible, but we realize that legal matters can be hard to understand.

If you have any trouble understanding what is being asked for, or you do not have some of the information available, please **do not worry!** Simply get in touch with us and we will help you complete the questionnaire and answer any questions you may have.

This confidential questionnaire is not a legal document. Please do not feel like you need to type in your answers (unless you really want to). Printing legibly in pen or pencil works perfectly.

Once again, we want to make this difficult process as easy as we can for you. We are always available to help, and we will do everything we can to answer your questions.

Sincerely,
Dawson Legal Documents & Services
